INDEPENDENT AUDITOR'S REPORT

To the Members of Richmond Community Foundation

Opinion

We have audited the financial statements of Richmond Community Foundation, (the "Foundation") which comprise the statement of financial position as at December 31, 2021, and the statements of operations and changes in net assets for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 2021, and its its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

INDEPENDENT AUDITOR'S REPORT — continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

As required by the Society Act of British Columbia, we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

1. Profile

The Richmond Community Foundation (the "Foundation") is incorporated under the Society Act of British Columbia. It is a registered charity for Canadian income tax purposes and is exempt form income taxes under paragraph 149(1)(f) of the Income Tax Act (Canada).

The objectives of the Foundation are to promote education and cultural advancement, scientific or medical research for the increase of human knowledge and alleviation of human suffering, and to provide for such other charitable purposes as may contribute to the moral, mental, cultural and physical improvements of the community.

2. Significant Accounting Policies

Basis of Accounting

The accounting policies of the Foundation are in accordance with Canadian accounting standards for not-for-profit organizations.

Fund Accounting

The Foundation maintains its accounts in accordance with the restricted fund method of accounting. Resources are classified for accounting and reporting purposes into funds according to the activity or objective specified.

General Fund

The general fund accounts for the revenues and expenses related to the general operations of the Foundation. This fund is unrestricted.

Youth Foundation Fund

The Youth Foundation Fund accounts for the general revenues and expenses of the youth branch of the Foundation. This fund is unrestricted.

Endowment Fund

The Endowment Fund is comprised of individual endowment funds that are managed by the Foundation pursuant to to contracts entered into by the donors and the Foundation or through internal allocation of funds. These funds are either internally or externally restricted. See attached schedule for a detailed description and listing of the funds.

Financial Instruments

The Foundation initially measures its financial assets and liabilities at cost. The Foundation subsequently measures all its financial assets and liabilities at cost or amortized cost, except for investments in marketable securities that are quoted in an active market, which are measured at fair value. Changes in the fair value of these financial instruments are recognized in income in the period incurred.

The marketable securities held by the foundation are all listed on public stock exchanges. The fair values used in the financial statements reflect the stock exchanges' quoted closing prices. The Foundation does not exercise any significant influence over any of its holdings.

Year Ended December 31, 2021

2. Significant Accounting Policies - continued

Inter-fund Balances

Debts existing between the funds are reflected in the statement of financial position for each individual fund but eliminated in the total column for the Foundation as a whole.

An administrative fee is paid by the Endowment Fund to the General Fund. This fee is reflected in the statement of operations for each of the funds but eliminated from the total column for the Foundation as a whole.

Contribution and Donation Revenue

Contributions to the Foundation are reported when received or committed by contract. Donations are recorded into income upon receipt unless for an externally restricted project, in which case, the amounts are recorded into income when utilized for the purpose intended.

Investment Income

Investment transactions are accounted for on a trade date basis. Interest income is recorded on the accrual basis. Dividends and distributions are recorded as income when received. Gains and losses on marketable securities include both realized and unrealized gains and losses.

Foreign Currency Translation

Monetary assets and liabilities denominated in foreign currencies are translated to Canadian dollars at the exchange rates in effect at the statement of financial position date. Revenue and expenses denominated in foriegn currencies are translated to Canadian dollars at the exchange rates in effect on the date of the transaction. Exchange gains and losses on translation of foreign currencies are reflected in the Statement of Operations within investment income.

Property, Equipment and Amortization

Property & Equipment purchases greater than \$2,500 are capitalized and then amortized over their expected useful life. Other property and equipment purchases are charged to expense when incurred. The property and equipment of the Foundation have been contributed and are not recorded in the financial statements.

Donated Equipment, Materials and Services

The value of donated equipment, materials and services are not reflected in the statements as they cannot be reasonably estimated.

Comparative Figures

2020 figures have been reclassified where applicable to conform to current presentation.

Year Ended December 31, 2021

3. Marketable Securities

The security portfolios are managed in accordance with investment policies approved by the Foundation. Each of the Foundation's fund managers has full discretion, within the established policies, as to the individual securities purchased, held and sold. Marketable securities include cash, fixed income instruments, Canadian, US and international equity positions held in both Canadian and US currencies.

8. Financial Risks

The Foundation has a comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. The principal risks assumed by the Foundation are as follows:

Credit Risk - The Foundation's cash and equivalents are subject to credit risk. This risk is minimized to the extent that cash is placed with a reputable Canadian financial institution.

Interest Rate Risk - The Foundation is not exposed to interest rate risk due to the short-term nature of its current assets.

Liquidity Risk - Liquidity risk is the risk that the Foundation may not have cash available to satisfy its financial liabilities as they become due. Liquidity risk is minimized by ensuring investments can be liquidated to cash as required.

Market Risk and Currency Risk - The Foundation is exposed to market and currency risk as the investments in publicly traded securities are subject to fluctuations due to price changes, currency exchange rates and interest rate in the market.
